

# Georgia Nursing CE Requirements

## **CONTINUING EDUCATION REQUIREMENTS FOR LICENSED PRACTICAL NURSES**

Effective March 31, 2017, all licensed practical nurses will be required to complete twenty (20) hours of continuing education as a condition of licensure renewal. Licensees who renew in March 2017 must satisfy one of the options between April 1, 2015 and March 31, 2017. Please [click here](#) for additional information regarding the list of options that may be used to satisfy the renewal requirements.

Licensees should submit all continuing education documentation to CE Broker. [Click here](#) to learn how to create your account and begin submitting your continuing education documentation.

Please note, the Georgia Board of Nursing does not approve individual continuing education providers. To determine if a particular course or program is accepted please [click here](#) to view a complete list of [accepted continuing education providers](#).
